Policy: The Board of Directors will consider a potential discount on admission rates at Chapter sponsored events to unemployed members who meet the definition of “unemployed”.

Purpose: This procedure is intended to ensure that those members who are unemployed are provided consistent consideration for a discount on admission rates at Chapter sponsored events.

Procedure: In the event that an unemployed Chapter member approaches a Board member for a discounted admission rate to a Chapter sponsored educational event, the Board will honor this request and offer a discounted rate of 50% off the regular member rate. Board members may offer this rate to any member who is unemployed.

The President of the Board and Chapter Administrator must be notified by the Board member of any agreed upon discount arrangements.

Should the member become employed prior to the meeting/event date, the full rate must then be paid. This must be communicated to the person at the time the discount is offered. All discounts must be offered prior to the date of the Chapter sponsored event.

Definitions: **Unemployed** – Not employed or contracted to perform work by an organization, healthcare related or otherwise.
